

Curriculum 4-Year-Old Classroom

Academic + Play-Based Learning

August – Back to School

Literacy

- Practice **writing letters**, especially first letters of names.
- Practice **sight words**: I, me, my, we, go.
- Encourage **listening and speaking skills** through storytelling and sharing about family and friends.

Math

- Review **counting** and recognizing numbers.
- Review basic **shapes**: circle, square, triangle, rectangle.
- Practice **sorting and patterns** using colors, shapes, and classroom objects

Science

- Explore **plants, seeds, and nature** outdoors
- Observe **weather and seasons**: sun, rain, clouds
- Review **basic senses**: touch, smell, and sight while exploring classroom materials and nature

Geography

- Learn about **classroom and school environment**: where things are located
- Discuss **home, neighborhood, and community helpers**.

Activities & Hands-On Learning

- **Name or self-portrait painting**.
- **Sorting and counting games** with blocks and classroom items.
